14" & 16" RANCH AXE TREE SHEAR FOR SKID STEER LOADERS

Extended Arm

OVERVIEW

The **Maxx Ranch Axe Tree Shear** for skid steer loaders is the ideal tool for general land clearing. Maxx Ranch Axe Tree Shears feature solid steel shearing arms that deliver 60% stronger performance compared to competing products.

Maxx Ranch Axe Tree Shears are available with two different styles of shear arms. There are the standard arm and extended arm design. Standard shear arms are ideal for hardwood shearing applications, while open-end extended shear arms are suited for softwood species like cedar trees.

Available with optional chemical sprayer system.
